Two Rivers Meats Direct to Consumer Program

Welcome to the Two Rivers Meats Direct to Consumer program! We are excited to launch this new area of our business. Please let us know if you have any questions about products or would like us to recommend anything for you. As this is a new program there may be some bumps along the way but we look forward to helping you eat the best meat possible.

Items to note:

- It will take 48 hours to process your order, which will then be available for pickup Tuesday to Friday 9am-4pm.
- Minimum orders are \$150.
- If ordering individually packed steaks and chops, there is a minimum order of 4. (There are not many of these, it is noted in the piece/pkg size column)
- All items are frozen.
- Orders are packed in boxes but for an extra special treat or if giving as a gift we have some thermal "Nice to Meat You" bags that we can pack your order in for \$5 each. These are fantastic for picnics.
